### 16th SEMI-ANNUAL HAWKEYE DOWNS POLLED SHORTHORN SHOW AND SALE

ON

**Saturday, September 15, 1956**

AT THE ALL IOWA FAIRGROUNDS

**CEDAR RAPIDS, IOWA**

Seventeen breeders in Illinois, Minnesota and Iowa  
are cooperating to present

#### 23 BULLS

All of them of serviceable age except one. We are offering two tried sires and the balance are yearlings. Among the offering you will find bulls that will supply the needs of the most critical buyers. Please study the bloodlines carefully. You will find some of the most prepotent breeding found in America.

#### 25 FEMALES

It is unusual in a sale of this kind to find only two open heifers in the offering. Two cows have calves at foot and likely rebred by sale time. The other twenty-one females are bred and some of them are due to calve before sale time. This offers the buyer a fine opportunity to lay in some breeding females from which coupons may be clipped in the near future. Note that most of the females are young and that they are bred to good sires. Don't overlook this opportunity to lay in some good foundation females at a reasonable price.

The sale committee to assist the manager is composed  
of Ralph C. Stirms, John Leonard & Setterdahl Bros.

THE SHOW at 9:30 A. M. — THE SALE at 12:45 P. M. Sharp  
(Central Standard Time)

"We hope to see you at Hawkeye Downs on September 15th. Please make yourself known to the consignors and sale manager on sale day."

—Earl S. Girton, Sale Manager

NOTE: The cover page shows Ellen Beth Beecher and Riverside Royalty.  
He is the sire of lot 20.

**LO REX CHIEF NUGGET**x - A dark red bull with the best conformation from nose to switch. We think he will be the best bull that we have ever sold. He has well-fleshed quarters, very smooth mellow fleshing over his hips, his loin and shoulders, a nice crest, and a very clean-cut polled head. He is the very picture of his sire, Willgrace Type x that we purchased as a third prize bull at the 1953 International. This calf's mother has another dandy bull that we think will be just as good.
